

Welcome to the 12th annual ELLE DECOR A-LIST

This year, our annual look at the industry's **most outstanding** firms across residential interiors, architecture, and landscape design includes a **hot new crop** of **10 standouts** whose work has captured our full attention—no small feat these days. We also salute the industry Titans whose projects continue to **inspire** us. Plus, the debut of our A-List Agenda will have you traveling in **high style** this summer.

THOMAS WOLTZ

Leading landscape architect Thomas Woltz—whose own home and garden are featured on page 110—has transformed parks, college campuses, and museums, creating topographic masterpieces at once mindful of the future and respectful of the past. On the horizon: His firm, **NELSON BYRD WOLTZ**, will soon unveil a master plan of Forsyth Park in Savannah, Georgia.

JESSICA DAVIS

Jessica Davis launched **NEST STUDIO** in 2012 for luxury home hardware; her design studio, **ATELIER DAVIS**, quickly followed. Davis's work (as seen in March 2022 ELLE DECOR) draws from a childhood spent growing up all over the world. She is currently channeling those influences into the design of a new Atlanta restaurant set in a Victorian house.
